Our PULSE Platform includes the most important features needed to successfully manage international insurance

The screenshot displays the PULSE Platform interface for a program titled "Cheese Corp Property. - PR000027.1". The interface includes a navigation sidebar on the left, a top header with navigation icons, and a main content area with tabs for Overview, Chat, Activities, Documents, and Reports. The Overview tab is active, showing program details such as Name (Cheese Corporation Ltd.), Owner (John Smith), Team (John Doe, Jane Smith, Frank Mate), Client Legal Entity Name (Cheese Company Ltd.), Client Legal Entity Country (Switzerland), and Client Contact Name (Pascal Hürlimann). Below this, there are sections for Producing Country (CHE) and Local Countries (USA, DEU, FRA, IND). Three main feature areas are highlighted with callouts: Program Risk, Program Designer, and Policy Manager.

On the right side of the slide, a vertical list of feature callouts is connected to the interface by dotted lines:

- Exposure Management
- Program Structuring
- Terms & Conditions and Premium Management
- Policy Monitoring and Reporting
- Policy Placement
- Network Orchestration
- Knowledge Management

Together with our PULSE Portal we provide a full digital International Program solutions suite for carriers, brokers and insureds
